Paid Letters to go by the Mails that are dispatched before 8 a. m. must be put into the Office, the previous evening, at 10 o'clock, at which time the Office Bar shuts, and at 6 p. m. on Sunday.

SHIP LETTERS.—Letters arriving from *abroad*, except the EAST INDIES, &c. in Vessels, not Packet Boats, are liable to a sea postage of 8d. if single, 1s. 4d. if double, and so on, *over and above all inland rates*.

INDIA.—Letters from the CAPE OF GOOD HOPE, the MAURITIUS, CEYLON, the EAST INDIES, NEW SOUTH WALES, and VANDIEMAN'S LAND, are liable to a sea postage of 4d. each, if not exceeding three ounces, and *one shilling* per ounce above that weight, *in addition to the inland rates*.

Letters to the above parts, may be sent through the Post-Office, at a sea postage of *twopence* each, under the weight of three ounces, and one shilling per ounce, if above that weight, in addition to the inland rates, to be paid at the time of putting the letters into the Post-Office.

Newspapers, Printed Prices Current, and Printed Papers, duly *stamped*, may be conveyed to the above Parts, at *one penny* each, provided the same be open at the sides. Postage to be paid at the time they are put into the Post-Office.

OWNERS, CHARTERERS, and CONSIGNEES of VESSELS resident in Great Britain may receive their letters by their own vessels from *Ceylon, the Mauritius, the East Indies, the Cape, New South Wales, and Vandiemans Land*, free from sea postage, provided that such letters shall not collectively exceed twenty ounces; and the OWNERS and CONSIGNEES of GOODS on board of ships arriving from those places, may receive letters free from sea postage, providing such letters shall not collectively exceed six ounces. The letters of such OWNERS, &c. of VESSELS and GOODS, *to be superscribed and addressed in the manner the Act directs*; and any person, who shall falsely so superscribe any letters, will forfeit for every such offence, £10. All letters for OWNERS and CONSIGNEES, within such limitation of weight and superscription, may be obtained from the Master before he makes his delivery to the Post-Office.

By an Act, intituled "An Act to extend the accomodation by the Post to and from Foreign Parts, and for other purposes relating to the Post-Office," it is enacted:—

After an agreement shall have been made with the Post-Office of any Foreign Kingdom or State, it shall be optional with persons sending letters by Post to such Foreign Kingdom, to pay both the British and Foreign Postage thereof, at the time of sending the same, or to send the same without payment of any part of the Postage, or to pay the British Postage only, as heretofore.

Persons residing in such Foreign Kingdoms will have the same option with regard to letters addressed to the United Kingdom.

No letters liable to any Foreign rates of Postage can be sent or received free from the Duties of Postage, save and except the public Dispatches of Her Majesty's Secretaries of State to and from the British Embassies and Legations abroad, *being bona-fide on the Public Service*.

The Postmaster-General is empowered at any time hereafter, at his discretion, to register Letters and Packets sent by the Post, on payment of certain additional rates; but such registration *will not render the Postmaster-General, or the Post-Office Revenue, liable for the loss of any such Letters, or the contents thereof.*

The above Enactments will not take effect until after the necessary arrangements have been made with the Post-Offices of Foreign countries, of which due notice will be given to the Public.

The following Enactments come into *immediate* operation.

Letters by Private Ships.

The present rates of Ship Letter Postage from the United Kingdom for Places beyond the Seas are repealed, and in lieu thereof, Letters posted at the Port from which the Ship shall sail, are made liable to the reduced rate of *eightpence*, single; if posted at any other part of the United Kingdom, *one shilling*, single; and so on in proportion, to be paid at the time of posting the same.

Letters may be sent from any Port, by any Ship or Vessel, to any place out of the United Kingdom, otherwise than through the Post-Office, except by Vessels carrying Mails; but this provision does not extend to the Inland conveyance of Letters otherwise than by Post, or to any collection of Letters contrary to the Laws now in force.

Letters may be sent through the Post-Office by private Ship or Vessel, from any Port or Place in Great Britain or Ireland to any other Port or Place within the same, or either of them, on payment of a rate of Postage of *eightpence*, single, in addition to any rates for Inland conveyance. Persons desirous of availing themselves of this mode of conveyance, must specify the same on the direction of their Letters, or on delivering them to the Postmaster. The payment of Postage at the time is optional with the sender.

Ship Letters—Ireland.

The Ship Letter Laws in Great Britain and Ireland are assimilated; and the provisions of the former Acts of Parliament for regulating the conveyance of Letters to and from the EAST INDIES, at a reduced rate of Postage, are extended to Ireland.

Letters to and from GREAT BRITAIN and IRELAND by Private Ships, are liable to a Sea Postage of *eightpence*, over and above any Inland rate, the previous payment of which is optional with the sender.

There is no alteration in the Law with respect to Letters brought into GREAT BRITAIN by Private Ships, nor those sent to the CAPE OF GOOD HOPE, the EAST INDIES, and NEW SOUTH WALES.

Newspapers.

The rate of Postage of *threepence* on each Newspaper brought by Private Ships into the United Kingdom from Her Majesty's Colonies and Possessions beyond Seas is repealed.

Newspapers, to and from Her Majesty's Colonies and Possessions by Private Ships, are liable to a rate of Postage of *one penny* each. The Postage on those from the United Kingdom is to be paid at the time of putting them into the Post.

Newspapers, to and from Her Majesty's Colonies and Possessions beyond Seas by *Packet*, are not liable to any Postage. There is no alteration in the Postage upon Newspapers to the CAPE OF GOOD HOPE, the EAST INDIES, and NEW SOUTH WALES.

Newspapers, to and from Foreign Parts by *Private Ships*, if to and from those Countries which have agreed to circulate Newspapers to and from Great Britain free, are liable to a Postage of *one penny* only, to be paid to the Master of the Vessel conveying the same. Newspapers, to or from those countries with which there is no such agreement, are liable to a Postage of *twopence* each.

There is no alteration in the Law with regard to Newspapers conveyed to and from Foreign Parts by Packet.

Newspapers from Foreign Countries, to be conveyed at the rates above-mentioned, must be printed in the language of such Countries. No Newspaper must contain any enclosure whatever, or any writing or marks on the Papers or the covers other than the address. Those from the United Kingdom must be put into the Post within seven days from the date thereof.

Franks.

1st, The Peers of Parliament and the Members of the House of Commons are entitled to send and receive letters free of Postage under certain restrictions.

2d, They cannot receive above fifteen, nor send above ten letters in any one day. For excess of number, those liable to the lowest rate of Postage are to be charged.

3d, No letter must exceed the weight of one ounce.

4th, Letters cannot be delivered free to a Member unless he is at the place to which such letters are directed, excepting only those which are addressed to the usual place of his residence in London, or to the lobby of the House of Parliament to which such member belongs.

5th, Letters, sent by a Member, must, to entitle them to pass free, be superscribed wholly in the hand-writing of that Member, and must have endorsed on them the name of the Post Town from which the same are intended to be sent, the day, month and year, when they are put into the Post-Office, the day of the month to be in words at length, and the Member must be within the said Post Town, or within twenty miles of it, on the day, or the day before the day, on which such letters are put into the Post-Office thereof.

6th, All the Letters which Members can send or receive free must be to and from places within the United Kingdom of Great Britain and Ireland.

7th, Foreign and Ship Letters are therefore excluded from the privilege. All franked letters put into the Twopenny Post, in London, are liable to the Twopenny Post rates, and are also liable to the Penny Rate when going into or coming from any of the Country Penny Posts.

8th, The Act of 54th Geo. III. cap. 169, sect. 17, enacts, that it shall be lawful for every Member of either House of Parliament, to receive by post any petition addressed to either House of Parliament, free from the duty of postage, so as the same be sent in a cover open at the sides, and that the same shall not exceed the weight of six ounces.

Newspapers, Printed Votes, and Proceedings in Parliament.

By the 42d of Geo. III. cap. 63, Members of both Houses of Parliament, and the Clerks of the two Houses, are authorised to send by the post, within the United Kingdom, any printed votes or proceedings in Parliament, free of postage, provided the same be sent without covers, or in covers open at the sides, signed on the outside thereof by the hand of any Member, or either of the said respective clerks; and it is also lawful for the respective Members and clerks to authorise such printed votes or proceedings to be sent by the post, in covers open at the sides, free of postage, addressed to them at such places within the said United Kingdom as they shall have previously given notice of in writing to the Postmaster-General, either at London or Dublin.

Also certain clerks in the Offices of the Secretaries of State, London, are authorised to send printed votes and parliamentary proceedings, in covers open at the sides, signed on the outside by the said clerks in the manner they have been accustomed to do.

By the 42d Geo. III. cap. 63, and 6th Geo. IV. cap. 68, printed newspapers may be sent by the post within the United Kingdom, free of postage, provided they be sent without covers, or in covers open at the sides.

All votes, parliamentary proceedings, and newspapers, sent otherwise than under the above regulations, are chargeable with the full duty of postage by any Officer or Postmaster who detects the irregularity.

Form of Proceeding in the Recovery of Small Debts.

Debts may be recovered, in a summary form, before the Justice of Peace Court, to the extent of £5; and before the Sheriff Courts, to the extent of £8, 6s. 8d.

The first step is to set forth, in a complaint or libel, agreeably to a prescribed form, [the Clerks of Court will provide the necessary forms,] the origin of the debt, or ground of action, and to cause the same, with a copy of the account, if any, to be served on the defender.

A warrant will, at same time, be obtained to cite witnesses, and to use arrestments.

The parties may appear either by themselves or by members of their families, or others whom the Court may authorise; but in no case by persons practising the profession of the law, without special leave.

If the defender fail to appear, after being cited personally, he will be held as confessed, and judgement will be given against him.

If the defender has not been cited personally, he will receive a second citation; after which, whether given personally or not, he will be held confessed, as above.

But, when decree is given in absence against the defender, he may, before the expiry of the charge, apply for a rehearing, on consigning the sums decerned for.

If decree in absence be given against the pursuer, he may, within one month, obtain a rehearing on consigning 2s. 6d. if the case be before the Justices; and the expenses decerned for, if the case be before the Sheriff.

The case will be adjourned, upon the pursuer or defender offering a suitable excuse, or if any witnesses be absent.

If decree be given against the defender, in his personal presence, dilligence may proceed against him by arrestment, poinding and sale, (and imprisonment, where the debt was contracted prior to 9th September, 1836,) at the end of ten days.

If decree be given against the defender in his absence, poinding and sale, and imprisonment, as above, can only follow after a charge of ten days.

The defender, on showing cause, may be allowed to pay the sums decerned for by instalments.

The decrees of the Sheriff may be executed in any county, on the same being indorsed by the Clerk of such county.

Any arrestments, used in cases before the Sheriff, must be used within sixty days after the warrant is obtained, and renewed every three months; and such arrestments may be loosed on offering sufficient caution, or on showing evidence of absolvitor, or payment, or on consigning the sums demanded, if before decree.

The above forms will apply to any action of forthcoming whatever, before the Sheriff or Justices, for making effectual arrestments; but, in such actions, both the defender and arrestee must be cited to appear in Court on the same day.

Decrees, pronounced in this summary form, by the Sheriff, will only be reviewable by the next Circuit Court of Justiciary, or, if there be no Circuit Court, by the High Court of Justiciary, at Edinburgh, on the ground of corruption, or malice, or oppression, on the part of the Judge.

Such decrees, when pronounced by the Justices, will only be reviewable by a reduction before the Court of Session, on the ground of malice and oppression, on the part of the Justices; and such reduction will only be competent for one year, and finding caution for costs.

No person shall be exempted from the Jurisdiction of Justices or Sheriffs in such cases, by reason of privilege as a member of the College of Justice.

*Billeting Soldiers.*

Soldiers on the recruiting service, and not lodged in the Barracks, are billeted on the inhabitants in regular rotation, with the following exceptions, viz. Parish Ministers and Schoolmasters, Faculty of Physicians and Surgeons, Faculty of Procurators, Widows and Unmarried Ladies, not in business, and who do not keep Lodgers and Paupers; and no inhabitant to have Soldiers billeted on them a second time until the whole are gone over.

Occupiers of houses at £3 and under £5 yearly rent, two men for any number of days under a week—at £5 and upwards, two men for two weeks, or the remainder of the month, which may happen to be seventeen days.

Government allows a return of 1d. each day for each soldier. The Billet Master attends from 11 to 3 o'clock on the 4th of each month (when it does not fall on Sunday,) and the two following days, to pay the Government allowance.

The Carter, in all cases, shall assist in loading and unloading, but must always remain by his Cart; and, when able so to do, he must load and unload the Cart himself.

All such quantities of Goods as are to be considered as a single Cart load, and likewise all Rates and Fares not before specially provided for, in case of any dispute, shall be settled by the Sitting Magistrate.

III. The following Rules and Regulations shall be observed by the Carters, and shall be strictly enforced in all time coming. .

1st, Every Carter shall enter his name and place of residence in a book to be kept for that purpose, in the Town Clerk's Chambers, and

must find security for the faithful and honest discharge of his duty under a suitable penalty; and any Carter plying in the streets, and neglecting to find such caution, shall forfeit a sum not exceeding two pounds sterling for each offence.

2d, Every Carter shall be furnished with a badge, which will be numbered according to the order in which his name is entered. These badges must be worn constantly by the Carters when at work; and they must immediately get the number which is on the badge, painted on some conspicuous part of their carts, under a penalty of ten shillings for each offence.

3d, Every Carter who shall refuse to work when not engaged, or who shall demand higher fares than those specified in the foregoing Table, shall be liable to a penalty of ten shillings for each offence. And every Carter, who says he is engaged, shall, upon being asked, specify the person by whom, and the hour at which he is engaged, and he shall not refuse to be employed in the interval between the time he is so asked, and the hour of his engagement, under a like penalty of ten shillings for each offence.

4th, Every Carter shall be furnished with, and shall always carry about with him, a copy of these Regulations and Fares, which he shall produce and show, when required, to his employers, under a penalty of ten shillings for each offence. And,

Lastly, Every Carter is hereby enjoined, strictly to attend and conform to the Regulations in the Act 12th Geo. III. cap. 45, and also to the Regulations with regard to the carriage of Timber, in the Act 33d Geo. III. cap. 104, under the several penalties therein-mentioned.

### *Regulations and Table of Fares for the City Porters.*

By the Police Act, Section 103, no person is allowed to ply, or work on the streets of the City or liberties, for hire, as a Porter, without first entering his name, and place of residence, in a book for the purpose, in the Town Clerks' Chambers, and without giving Bond for the faithful and honest discharge of his duty, under such penalty as to the Magistrates shall seem proper, and without having a badge or ticket containing his number.

Persons wishing to be admitted as Porters must apply to the Magistrates, by petition, stating their places of nativity, age, residence, and former employment, and produce satisfactory certificates as to character. On being admitted, and before being allowed to ply, each Porter must implement the above enactment; and he shall thereafter strictly conform to and observe the following Regulations:—

1st, He shall renew his bond at the expiry of three years, and, on the decease of the Cautioner, or his removal from the City; which decease or removal, he shall, within eight days thereof, intimate, in writing, to the Town Clerks, and Superintendent of Police, and he shall also, in the same manner, and within the said time, intimate his own removal or change of residence.

2d, He shall wear his badge or ticket conspicuously on the left breast of his coat; which badge shall be of brass, and have inscribed the words, "City Porter," and the number, in the order of his admission; and he shall also have a transcript of said inscription painted legibly on the right side of his barrow or hurley.

3d, He shall not, when unengaged, refuse employment when offered, whether on his station or not; and, if he allege previous employment, he shall, when required, specify the nature and time of his engagement.

4th, He shall not demand higher fares than those specified in the subjoined Table; a copy of which Table, with these regulations, and also a small plan of the City, divided into sections of a quarter of a mile, he shall always have in his possession, and produce to persons employing him, when required.

5th, When stations or districts are allotted to Porters, which shall be done by the Superintendent of Police, the Porters, except on extraordinary occasions, such as the Term time, when they are generally employed at *flittings*, shall not offer themselves for hire beyond the district assigned to them.

6th, Not more than four Porters shall stand at any corner of a street or other station; and, as one station may be more advantageous for employment than another, they shall be so arranged as that each may have an equal opportunity of obtaining it. Thus, if the south corners of Glassford Street shall be deemed the most favourable, the four Porters who have been longest in the service shall take the west corner—the next four in order shall take the east corner—the next four shall take the west corner of Stockwell Street—and the next four the east corner of Stockwell Street; and, when a vacancy takes place, by the employment or absence for a quarter of an hour, of any on the more advantageous stations, in this order—the Porter first on the next station, for the day, shall have the right of moving to it—that is to say, the first of the four at the west corner of Stockwell Street to the west corner of Glassford Street—and the first of the four at the east corner of Stockwell Street to the east corner of Glassford Street; or the first at the east corner of Stockwell Street may move to a vacancy at the west corner of Stockwell Street. The same rule shall be observed at the Cross, the south end of Candle-riggs, and the north end of King Street; the south end of Buchanan Street; and the north end of St. Enoch Street; and at the other parts of the City where there are intersecting streets, or where there are two or more stations near each other.

7th, Not more than six Porters shall resort to or take up a station at any Coach Office, Inn, or other place at which Stage Coaches arrive. On the arrival of Coaches, the Porters shall stand in a line on the kirb-stones of the pavement; and they shall not leave the kirb-stone or interfere with passengers' luggage, till singled out and engaged. They shall not importune, call out, or make any signal to passengers for employment; and, unless specially selected by passengers, they shall take hire in rotation, each in regular succession.

8th, The object of these arrangements being to insure good order on the one hand, and a fair opportunity of regular employment on the other, the Porters must strictly attend to their operation. For this purpose, they may establish rules among themselves, provided these are sanctioned

by the Superintendent of Police, who may alter or rescind them, and provided they are not inconsistent with the regulations hereby enacted. In the event of dispute or misunderstanding among them, the same shall be determined by the Superintendent. And, as a corrective of improper conduct, the Superintendent may remove such as do not comport themselves with propriety, to an inferior station, and promote the next in order.

9th, No Porter shall appear on his station intoxicated; if he does, he shall be removed, and the next in order shall take his place. All Porters are prohibited from standing on the pavement or crossings, to the obstruction or annoyance of the lieges; as also from smoking, when upon their stations, or in any manner giving offence. In general they are enjoined to conduct themselves orderly among themselves, and discreetly towards the public; to obey the instructions of the Magistrates; and to assist the Police in cases of emergency, and on all occasions when required by the Superintendent, or the Officers acting under his authority.

10th, Porters contravening, or not conforming to these Regulations will subject themselves to a penalty not exceeding forty shillings; which penalty shall be awarded, and the Regulations enforced in a summary manner, by the Sitting Magistrate in the Council Chambers or Police Court, who may also dismiss from said employment, and deprive of their badge, such as shall offend.

ALMANACK AND TIDE TABLE,

July, 1838, to July, 1839.

THE following Tables, having been constructed on strictly scientific principles, will, it is presumed, be found as accurate as any Tables of the same kind yet offered to the public.

On the subject of the Tide, it may be noticed that the Tide wave rolling northward from the Atlantic Ocean, on its arrival at the British Isles, divides into three branches: one proceeds up the English Channel, another enters St. George's Channel, south, and the third flows round the west and north west coasts of Ireland, meeting the north branch near the Isle of Man. From the two latter branches our Tide is derived, and must therefore necessarily partake of the irregularities produced on THEM, by the action of high winds, giving rise to some anomalies that are sometimes observed, while no apparent cause is operating in the Clyde itself. The time and elevation of high water are also considerably affected by high winds in the Clyde. From the form and course of the Frith, it will be easily seen that a gale from N.N.W. or N.W. by opposing the flow of the Tide, will cause the time of high water to be earlier, and the height of the Tide to be less than it otherwise would be, while a gale from an opposite direction would have an effect quite the contrary, so as sometimes to make the Tide vary half an hour, or even more, from the time noted in the Table.

CONCLUDING REMARKS.

IN the following Table are included the Watering places on our coasts, which, on account of the proximity, are chiefly interesting to the inhabitants of Glasgow, as places of Summer visiting or retreat.

It exhibits the number of hours and minutes, that the time of high water, at the respective places, is sooner or later than the time shown by the Glasgow Tide Table.

*These Tables have been calculated expressly for the present Institution, partly from the Government and partly from the Carlisle Tables of Mortality, slightly modified by reference to other recent and accredited sources.*

The Promoters of this Institution, which has already acquired a considerable number of members, rest their claim to the patronage of the public on the following, among other grounds:—

1. The premiums for young and middle-aged lives are, upon an average, about 25 per cent. below those of such of the present offices as divide all the profits or surplus among the assured. In these offices, the premium on an assurance for the whole of life is higher at the age of 20, for instance, than in this at the age 30. For assurances on joint lives, and in favour of any one specified life, after the failure of another, as for a wife on the death of her husband, the terms are equally favourable.

2. The Surplus Funds will be preserved entire for the benefit of those who survive the average duration of life, taken as at the age of admission, or who have paid into the fund a sum which, accumulated at compound interest, shall be equal to the sum secured by the policy, instead of a great part of such surplus being divided among the representatives of those who have not lived to contribute to the fund a sum equal to one-half, or even one-fourth, of the sum contained in their policies.

3. The Directors are bound, by the deed of constitution, to purchase policies of seven years' standing and upwards, issued for the whole of life, according to a table already prepared, to which the assured will have access. They are also authorised to make allowances to the parties interested, even where the policies have been forfeited.

Upon the whole, it will be found that, though the premiums have been so greatly reduced, yet the provisions on behalf of the assured are also, in other respects, as liberal as is consistent with security, while the respective interests of the members in the common fund of the Institution have been adjusted upon the most equitable principles.

*Forms of proposals, and every other necessary information, may be had on application at the Offices in Edinburgh and Glasgow. If by letter, to be free of postage.*

JAMES WATSON, *Int. Manager.*

**ABERDEEN**

**Fire and Life Assurance Company,**

ESTABLISHED 1826—CAPITAL £750,000.

The Stock of this prospering Company bears the highest premium of any similar institution in the kingdom.

*Annual Premium for Insuring £100 for Life.*

Premium,...	£1 17 6	£2 3 0	£2 9 2	£3 0 8	£3 10 11	£4 3 3	£4 19 0

The Company also adopt an ASCENDING SCALE for Life, as follows:—

Age.	First 7 Years.	Next 7 Years.	Remainder of Life.
25	£1 4 8	£1 10 3	£2 11 10
35	1 13 1	2 0 8	3 12 9

50	2 11 11	4 0 11	7 0 3

The same Premium as that required to insure £1000 with a Bonus Office would insure nearly £1300 with this, from the date of the Policy.

ALLAN & FERGUSON tender their warmest thanks to their friends and the public for the distinguished support with which they have been hitherto favoured, and beg to state that no effort will be wanting on their part to merit its continuance.

From the fact of their establishment being the most extensive in the line out of London, they are enabled to follow out a systematic division of labour, which, combined with strict industry, and attention to the commands of their employers, enables them to execute orders, however large, with unprecedented despatch, in the best style, and at prices at least as low as those of any of their competitors, and in many instances much lower than some of them are in the practice of charging.

They have ready at present nearly two hundred patterns of NEW TICKETS, for Goods, Yarns, &c., which they supply in Gold, Bronze, Black, Blue, and other colours, *Gummed*, and ready for putting upon the Goods; and as they print them upon large sheets, they are enabled to furnish them at prices considerably lower than are generally charged. Also, Designs for Pattern Cards, Sample Wrappers, and every thing in their line required by

MERCHANTS AND MANUFACTURERS.

They would particularly request attention to their system of supplying the Tickets *Gummed*, as it is a convenience and saving which cannot fail to be appreciated by all who make a trial of them. In cases where expedition is a matter of importance, this system is very useful, as no extra time is required in executing the order, the paper being gummed before printing, and regularly lying in stock.
